JEKYLL ISLAND CLUB HOTEL'S  
GRAND DINING ROOM WINS "OPEN TABLE" REGIONAL RECOGNITION

Jekyll Island, GA --- The Grand Dining Room of the Jekyll Island Club Hotel is celebrating! 2009 Open Table Diners' Choice annual ratings have been released, and the hotel's premiere dining room is among the finest Georgia restaurants in seven major categories.

One of the leading international websites for making restaurant reservations, OpenTable, has announced the ratings of 283 restaurants in Georgia that participate in the online reservations program. The Grand Dining Room ranks first in Romantic Restaurant, second in Best Service and Ambience, third in Special Occasion Restaurant, fourth in Best Overall, seventh in Best Food and tenth in Great for Brunch! More than 156,400 diners in Georgia voted based on their dining experiences.

Executive Chef Abigail Hutchinson, who leads the culinary team in the hotel's three restaurants ---Grand Dining Room, Courtyard at Crane and Café Solterra --- said, "We are thrilled with this recognition and thank all those guests who helped make this possible with their patronage."

When a table is booked on OpenTable.com, the reservation is instantly recorded in the restaurant's computerized reservation book – the same one the restaurant's host uses to track all reservations. OpenTable has live internet connections into the restaurants themselves. Restaurant availability information is up to date, and reservations are immediately confirmed.

The Grand Dining Room, a full service restaurant, offers breakfast, lunch, dinner and a legendary Sunday Brunch. The à-la carte menu features continental cuisine specializing in seafood, gourmet specialties and authentic southern fare. The Club pianist enhances the evening dining and Sunday Brunch experience.

For additional information contact the Jekyll Island Club Hotel, 371 Riverview Drive, Jekyll Island, GA 31527 or call 912-635-2600. For reservations, visit our website at [www.jekyllclub.com](http://www.jekyllclub.com) or make reservations online at [www.opentable.com](http://www.opentable.com).
