Creative Room Sets and Technology

Fifteen thousand square feet of flexible upgraded meeting spaces, and breathtaking riverside and oceanfront outdoor venues await.

With proper physical distancing, Jekyll Island Club Resort features event and meeting spaces for groups of 5 up to 150. Creative and customized meeting sets have been prepared for every space, ensuring at least six feet per participant, clean airflow, separate entries and exits, and more. It will be our pleasure to customize further these plans based on your specific event goals.

If you desire to extend the reach of your meeting, our technology team can prepare virtual solutions to connect audiences from around the world—or even in different spaces around the Resort.

Sophisticated Culinary Experiences

We have quite a bit of space and creativity—and together we will deliver culinary experiences that are safe, sophisticated, and fun.

Our Executive Chef has rethought our entire culinary program and we are standing by to provide unique solutions for your goals and desires. A sampling of ideas includes progressive meals in multiple spaces, prepared meals to carry and enjoy throughout our grounds, and outdoor picnics and barbeques.

All meals, services, and procedures adhere to our state and local regulations and include amplified hygiene and sanitation requirements, and plenty of additional space to accommodate attendee flow.

An Island of Health and Wellness

Privacy, space, and solitude are today's greatest luxuries, and hallmarks of the Jekyll Island Club Resort. While you're here, we'll encourage you to get out and enjoy the fresh air and activities available—and it would be our pleasure to prepare customized activities for you and your attendees.

A few other things to note:

- The pools are chlorinated to the maximum permissible levels, and capacities are limited to ensure proper physical distancing.
- At Jekyll Wheels, every bike, helmet, and accessory are sanitized after and before each use.
- Our fitness center is operating with limited capacity. Sanitizer stations are provided, and every two hours or less a dedicated team member sanitizes the facility and every piece of equipment.

Protecting Our Team and You

Our special Team makes all the difference around here, and it has been our great pleasure to welcome them back. Every Team member has been consulted about our refined services, and they know that their health and safety is our priority.

Together, we've agreed to monitor every Team Members, daily, including their temperature—this includes everyone, including our Managing Director. We've agreed the most efficient and effective personal protective equipment, and every piece has been thoroughly trained.

Also, all Team Members are regularly trained on our enhanced standards, as well as the following best practices:

- Washing hands frequently with soap and water for at least 20 seconds.
- Avoiding touching eyes, nose, and mouth.
- Covering mouths and noses with a bent elbow or tissue when coughing or sneezing, and to dispose of tissues immediately.
- Maintaining at least six feet of distance from others.

As we prioritize the safety of our Team Members, you can rest assured that yours will be taken care of as well.

Daily

The number of times we're monitoring our Team Members' temperatures each day to keep our Team and yours safe.

Elevated Services in a Contactless World

The care we provide every guest is a hallmark of the Jekyll Island Club Resort experience, and we've involved every Team Member in the adaptation of our services and experiences.

- Team Members wear facial coverings in all areas, and our guests are encouraged to do the same.
- Arrivals include plenty of warmth and appreciation, yet zero contact.
- Signage reminds everyone—both in the “front of the house” and “heart of the house”—to keep their distance.
- Queues have been installed throughout the property to provide peace of mind to every guest.

Enhanced Cleanliness Standards

We've adapted our interactions, taken significant precautions, and refined our activities to allow you to focus on what matters.

Every Team Member has detailed, multi-point checklists to streamline their areas of focus, and our new electrostatic sprayers protect our Team and allow them to disinfect what you see and don't see. Additionally, our enhanced cleaning standards include the use of personal protective equipment, sanitizing equipment, specialized anti-viral solutions, and an elevated cleaning frequency for bathrooms and highly visited locations and touched surfaces.

Meeting and Event Spaces

Before you arrive and thirty minutes before the start of each event, we'll have cleaned every surface, projector, table, seat, and everything in between. Inside, you'll find our completed checklist, and our Team will be standing by to provide additional services as requested. When you break, our Team will complete the same list and prepare the space for your restart.

Guestrooms and Suites

Every housekeeper has been involved in curating and training our enhanced cleaning procedures.

- Personal protective equipment includes masks and gloves at all times, and individual hand-sanitizer for each of our Team Members.
- New electrostatic-sprayers protect our Team and allow them to disinfect what you see and don't see. Before you arrive, we'll have cleaned every surface, remote, phone, bed, and everything in between.
- Specialized anti-viral solutions are used to clean bathroom sinks, showers, and toilets.
- All laundry is bagged before leaving the guestroom and delivered to the laundry for cleaning.
- In-stay housekeeping has been suspended to help limit unnecessary interactions. For those guests visiting for multiple nights, additional amenities are provided to restrict unnecessary interactions. If you do require more of anything, including linens and towels, they will be delivered right away.

Common Spaces

- The frequency of our cleaning regime is elevated in all common spaces.
- Sanitization stations are prevalent throughout the Resort.
- One-way directional signage has been added to higher traffic areas.
- Signage reminds everyone—both in the “front of the house” and “heart of the house”—to keep their distance.
- Signage reminds everyone to only use elevators with those in their immediate family or party.

The frequency and steps of our cleaning regime has been increased throughout the property.
